Dear Sir/Madam,

RE: INTRODUCTION FOR FIELD ATTACHMENT PLACEMENT.

This is to introduce to you Ms/Mr. NAKIZATO of Registration Number. 12101258121, pursuing BSc. Programme at Makerere University Business School who wishes to undertake Field Attachment in your organization/ company as per the University policy. Field Attachment is a Course Unit accredited by National Council for Higher Education (NCHÉ) leading to the award of Bachelor's degree which every student is obliged to undertake.

The purpose of Field Attachment is to produce practically oriented graduates who meet the required job-related competencies of the employers. It also serves as a linkage between the University and various stakeholders in diverse sectors. The Field Attachment period is expected to be eight (8 weeks) undertaken during their second year of study.

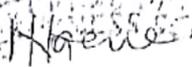

The expected outcomes of this placement include but not limited to;

- ii. Developing and inculcating work ethics, employment experience, and a sense of professional responsibility to graduates.
- iii. Providing an interactive environment for academic staff, students and stakeholders in areas of business and management.
- iv. Enabling the application of theoretical principles and techniques to solving real life problems and the process of decision making in organizations.

Due to the COVID 19 pandemic, students are encouraged to observe the Standard Operating Procedures (SOPs) while in the field to ensure their safety as advised by the government which we believe are existent in the organization of placement.

I will be grateful if you accepted our students to carry out their Field Attachment in your organization. Should you have any inquiries, do not hesitate to contact me on [commerce@mubs.ac.ug](mailto:commerce@mubs.ac.ug).
